

Plato Academy St Petersburg Fundraiser

Dear Parents, Teachers, and Students,

We are excited to begin our fundraiser with Otis Spunkmeyer cookie dough and baked goods. We need your support! All the profits from this program will go towards supporting technology and funding for the classroom and the school where needed. Share with your family, co-workers, and friends. Please help us make this the best sale ever. There will be items online that loved ones who are out of town can buy however no frozen items will sold online. All items sold here will be delivered frozen to the school, so be sure to pick up your items on the delivery date.
